
EDUCATION

Singapore Management University

August 2025 – April 2029

Bachelor of Science in Information Systems

(Expected)

- Cumulative GPA (as of Y1 Sem2): 3.73/4.00
- Relevant coursework: Programming Fundamentals, Data Management, Statistics, Data Analysis and Modelling, Web Application Development

St. Andrew's Junior College

January 2023 – December 2024

- Achieved 3 distinctions in A Levels

Kuo Chuan Presbyterian Secondary School

January 2019 – December 2022

- Achieved 6 distinctions in O Levels

EXPERIENCE

Programming Methodology for Graduating A-Level Girls

December 2024 –

NUS School of Computing

January 2025

- Applied Python fundamentals (loops, functions, problem-solving)
- Completed coding challenges
- Awarded Certificate of Distinction

BuildingBlocs June Conference

May 2023 – June 2023

NUS School of Computing

- Learned foundational Python programming concepts (input/output, variables, basic logic) to complete coding tasks and develop simple programmes (e.g., age calculator based on user input)
- Used Replit for coding and testing applications
- Developed interest in computational thinking and problem-solving

Coding Games for Kids

December 2023

YouthCorps

- Designed and facilitated coding activities for primary school children using CodeSpark
- Simplified programming concepts into engaging learning experiences
- Developed communication and teaching skills

ACTIVITIES & LEADERSHIP

Tutoring Programme (Tutor)

2025 – Present

Bethesda CARE Centre (BCARE)

- Provide academic support to primary school students in Mathematics
- Adapt teaching methods to different learning needs and paces

ChrySAlis

Participant (June 2023)

St. Andrew's Junior College

Facilitator (June 2024)

- Progressed from participant to facilitator, supporting orientation and leadership development programmes
- Facilitated group discussions and activities, encouraging participation and creating a safe, inclusive environment
- Applied communication techniques (open-ended questioning, active listening) to guide discussions and reduce conflict
- Demonstrated empathy and adaptability by supporting diverse personalities and managing group dynamics in high-energy activities

Model United Nations (MUN) Conference

April 2024

St. Andrew's Junior College

- Represented Japan in the MUN conference, researching and presenting national positions on climate change and green technology
- Evaluated international perspectives on policy issues, considering political, economic, and environmental factors
- Delivered speeches and engaged in structured debates, improving clarity and confidence in public speaking
- Actively contributed to discussions despite initial unfamiliarity with conference format

Outdoor Adventure Club

2023 – 2024

St. Andrew's Junior College

- Completed overseas expedition to Vietnam, including a high-altitude trek up Mount Fansipan (3,147m)
- Demonstrated resilience and mental endurance while navigating physically demanding and unfamiliar terrain
- Worked in a team to manage challenging conditions, supporting peers and ensuring group safety
- Developed independence and responsibility through managing logistics, time, and personal well-being during travel

Student Councillor

2019 – 2022

Executive Committee – Head of Student Well-Being

2021 – 2022

Kuo Chuan Presbyterian Secondary School

- Led initiatives to improve student welfare and engagement
- Organised school-wide events and well-being programmes (Orientations, Leadership Camps, Welfare Drives)
- Collaborated with school leaders and peers on student initiatives

PROJECTS

Roommate Finder Web Application

- Designing a web-based platform to match users with compatible roommates or available rooms
- Implementing backend using Node.js and Express
- Developing filtering system based on user preferences

SKILLS

Technical

- Microsoft Excel
- Python, JavaScript, HTML

Frameworks/Tools

- Node.js, Express.js

INTERESTS

- Coding (problem-solving, web development)
 - Photography (landscape, nature)
 - Hiking, cycling & outdoor exploration
 - Playing musical instruments (piano, guitar)
-
